

# LION Pride on the Drive

The Linn Mar Varsity Poms are launching the first Linn Mar logo driveway painting fundraiser.

The logo is 3' X 3' and will be similar to the red, white and black LM logo below. It will be positioned near the end of the driveway, above the sidewalk and centered unless you specify otherwise. Spray paint is semi-permanent and can be power washed off at your discretion.

All funds raised will go toward the Linn Mar Varsity Pom designated Legacy Fund at the Linn Mar School Foundation. This new fund supports the nationally recognized program with needed equipment, supplies and scholarships.

LM Logo painting will be:

## **LM Logo Driveway Painting**

We are excited to be coming to your resident for Linn-Mar Logo Painting! Here are a few tips before we arrive:

We can only paint on residential areas. You **MUST** be present to have the LM Logo painted. **We cannot paint without a resident of the home present.**

By direction of licensing we must put the TM (Trademark) on the logo painting.

LM Logos must be placed above the sidewalk in the area between the sidewalk and your home. We are not allowed to paint on or below the sidewalk according to city policy. We cannot paint on walls, fences, or other surfaces that are not on the ground.

We will paint Red and White LM Logos on driveways.

Logos will stay on concrete up to two years. The paint we use is not permanent. Weather conditions and driving over the LM Logo on a regular basis will wear down the paint. Power washing will also aid in removal, if desired.

**PLEASE DO NOT DRIVE OVER** the LM Logo for at least 30 minutes after painting. It is best if cars are moved out of the garage before we arrive.

If it is raining on the day of your painting, we will call you to determine an alternate day and time to paint. To ensure a quality painting the surface must be dry for at least 4 hours. If weather is an issue there is no guarantee that you will be scheduled on the same day, but we will do our best to reschedule in a timely manner.

We will call you as we are on our way to your home- this way you will have a heads up to gather family members or neighbors. We survey the area for the LM Logo and then paint. If there is excessive loose material (dirt, rock, salts) on your driveway please sweep the area the day of the painting. After painting, we will take a picture of you and your new LM Logo with two members of the Linn-Mar Varsity Poms.

**The cost is \$45 for the LM Logo.** Payments will be taken that day in check or cash.

**Checks should be made out to the Linn-Mar Foundation and include LMVP in the subject line.**
