Name: _____

Flag of the United States

The picture below shows the United States' flag.

The flag's colors are red, white, and blue.

- Red is a symbol for valor, or bravery.
- Blue is a symbol for vigilance and justice.
- White is a symbol for purity and innocence.

There are fifty white stars against a blue background. Each star represents one of the fifty states in our country. Whenever a new state is added to our country, a new star is added to the flag.

There are 13 red and white stripes on the American flag. The top and bottom stripes are red. The 13 stripes represent the original 13 colonies that became states when our country was started.

Color the flag below. Be sure you use the correct colors in the correct areas.

Moon Observation

Use this grid to record your moon observations.

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday

Earth/Space Science 2.2.D.1 Identify and record observable properties of the (sun and) moon in the sky over time.

The Moon Phases Poem

by Betty Sanchez

**The moon is a sphere, big and white
It loves to reflect the sun's bright light.**

**It goes on a journey every 28th day
Around the Earth, a hide and seek game it will play.**

**In the beginning, it is new
Out of sight from me and you.**

**Then it waxes in white
as it grows on its right**

**Waxing crescent and quarter, then gibbous too
When full, the phases are halfway through!**

**Now it flips to the left and starts to wane
As it fades away in its orbit lane.**

**Waning gibbous and quarter then crescent too
It's completed its orbit and back to new!**

Name: _____

Great Seal of the United States

The picture below shows the Great Seal of the United States of America.

It pictures a bald eagle with an olive branch in its right talon and arrows in its left talon. The olive branch is a symbol of peace. It shows that our country always wants to be peaceful. The arrows are a symbol of war. They show that our country is willing to fight to protect our freedom if we need to.

There are 13 leaves on the olive branch and 13 arrows. There are also 13 stars above the eagle and 13 stripes on the crest. The number 13 represents the number of states our country had when it began.

“E pluribus unum” is a Latin phrase. It means “Out of many, one.” This phrase shows that many states work together to form one strong country.
