Parent Survey Results

July 2020

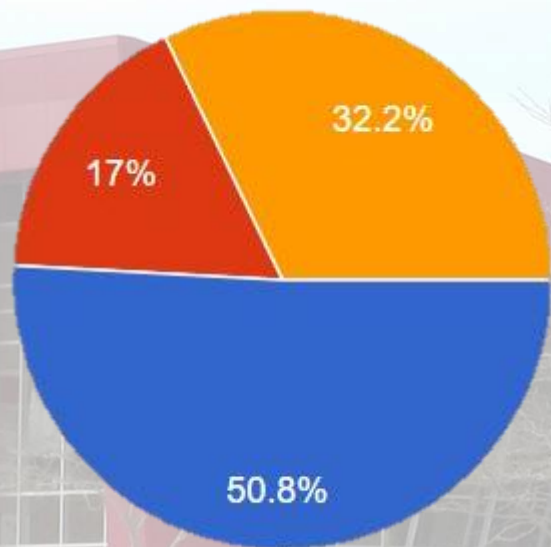

Inspire Learning. **Unlock Potential. Empower Achievement.**

What level do your children attend? Mark all that apply.

As we continue to plan the three options provided by the Iowa Dept. of Education, which learning option do you prefer?

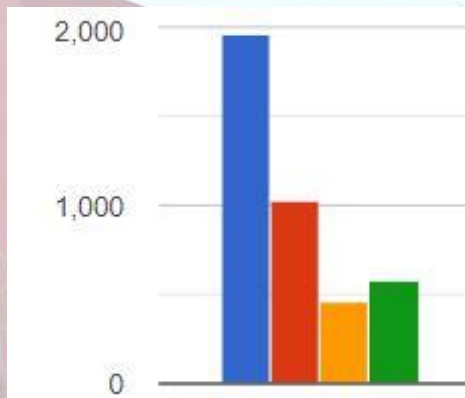

On-site Traditional school with students in face-to-face instruction.

Hybrid (K-12) a mix of instruction with some students receiving face-to-face instruction and some students doing instruction via technology.

Fully Online Instruction provided via technology for all students. The district will provide devices for all students.

Our goal is to bring back students to on-site instruction. Knowing that we will have several additional safety mitigation measures in place, **do you feel comfortable sending your students back to school for on-site instruction?**

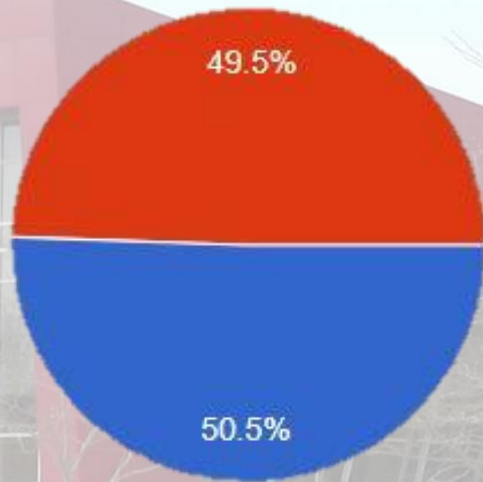

Yes, but I want to see what safety measures the school will put in place before I send my kids to school.

Yes

No

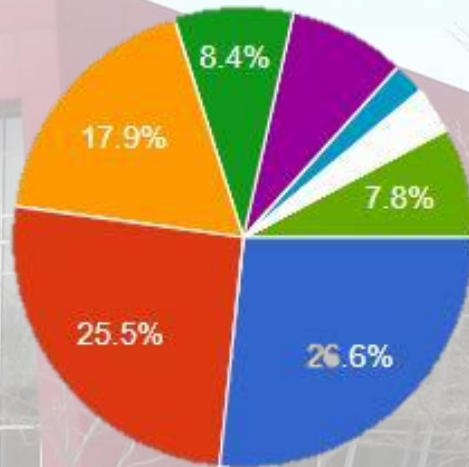

If your family is eligible for transportation, do you plan to have your child(ren) ride the bus?

No
Yes

If we have to move to online instruction for a school, district, or state closure what barrier will most impact your children?

Concern for how to help my child with online work

Social emotional health of my family and/or children

No Concerns of barriers for my children

Lack of child care

Lack of devices for online work

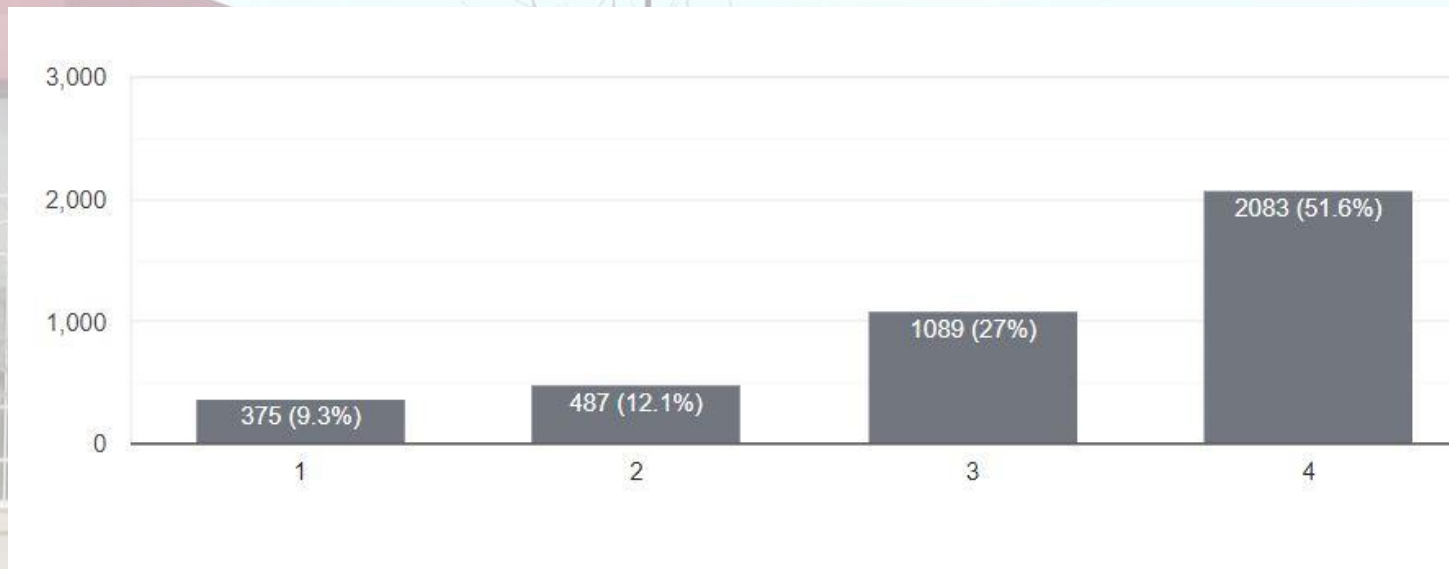

Lack of reliable internet

Other

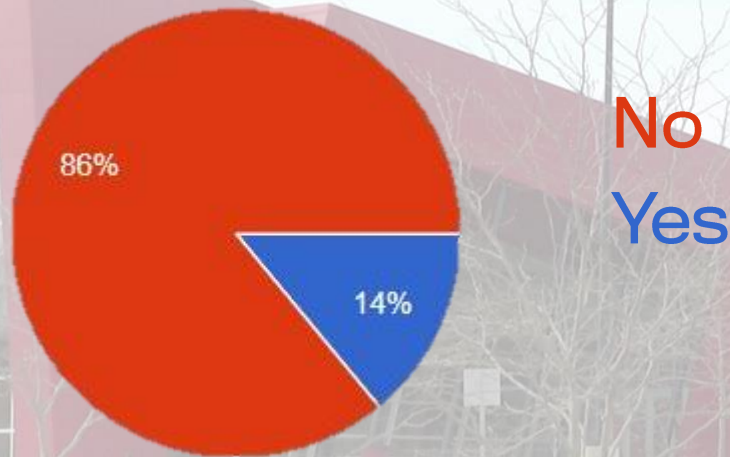

Hybrid plan- The district is investigating a way to provide online instruction to students and families with health and/or other extenuating circumstances at the same time we are providing on-site instruction. This would be taught by a Linn-Mar teacher and would be the same curriculum that students onsite receive.

Rate your support for this idea.

Do you currently have anyone in your household with a pre-existing health condition or someone that has tested positive for COVID that would impact your child(ren) returning to school?

Please note: Families that are not comfortable returning to on-site school for COVID related reasons can apply for the Hybrid Option A: Family Choice Model. [Click here](#) to apply.
