**Medication Permission Form** 

To ensure compliance with Linn-Mar policy for administering medication at school, the following procedures must be followed:

- ALL MEDICATION MUST BE DELIVERED TO AND FROM SCHOOL BY THE PARENT/LEGAL GUARDIAN IN THE ORIGINAL AND PROPERLY LABELED CONTAINER. The container must include the following information: student name, medication, dosage, time, route and physician. Written authorization and instructions must be provided by the parent/legal guardian for all medication. The school nurse shall have the right to contact the prescribing physician to confirm or clarify medication instructions. The time of medication administration may need to be altered slightly to fit your student's schedule.
- For preschool through 6<sup>th</sup> grade students, a physician/dentist signature is required before any nonprescription, over-the-counter medication will be given. This includes Acetaminophen, Ibuprofen, cough medicines, etc. All medications administered for preschool through 6<sup>th</sup> grade students must be provided by the parent/legal guardian in their original and properly labeled containers.
- High school and middle school students (Grades 7-12), in accordance with Health Services protocols for common complaints of pain or illness, may have limited, over-the-counter medication with written or PowerSchool eRegistration parental consent.
- Students in grades 7-12 will be allowed a limited number of standard dose Acetaminophen or Ibuprofen each school year. The standard dose of these two medications will be provided by Linn-Mar Health Services. Acetaminophen and Ibuprofen will be given per board policy at the nurse's discretion. Frequent dosing may require a physician's order and the parent/legal guardian to supply the medication. All other over-the-counter medications for grades 7-12 must be supplied by the parent/legal guardian. The parent/legal guardian must supply any medications that need to be given in liquid/chewable form or different than the standard dose the district supplies.
- If any medication remains after the last day of school, it will be discarded within 24 hours per federal and state law.
