Safe2SpeakUp is an application on all LMHS student school-issued computers that allows a student to report something unsafe or to ask for help for a personal crisis for self or someone else at any time. Safe2SpeakUp alerts are sent directly to LMHS Administrators, Student Assistance Counselors and School Counselors. Thanks to some hard work and efforts by some of our LMHS students, we now have a QR code and a link that can be used more easily for student reporting. The QR code will be posted at various locations around school and the link will be made available in the Updates as well as on the LMHS webpage on the district website.

High School Safe2Speakup

See Something. Say Something.

****This reporting tool is for High School students only. ****

Student reporting helps keep our schools safe. **Please click on the appropriate link below to report a concern to school administration and counselors.** A QR code has been posted around LMHS that will also take you directly to this link. Please note that if you report anonymously, the investigation may take longer to conduct. Reports to school administration are seen during normal school hours 7:30 am-4:00 pm Monday – Friday when school is in session. If it is outside of this time or an extreme emergency, please dial 911.

4th Quarter

Fire Drill on Thursday

LMHS had a Fire Drill on Thursday, which, again, incorporated not using Doors #1 and #16 due to construction (these are emergency exits in an actual emergency). The Lions were in evacuation locations in two minutes and fifty-four seconds.

Conditions for Learning Survey on April 17 at 3:30 p.m.

All LMHS students will take the state-required *Conditions for Learning Survey* at 3:30 p.m. on Wednesday, April 17. (Parents were sent information on this survey, including an opt-out form, in a separate email from Associate Superintendent Nathan Wear on March 22). Seniors will report to the Auditorium, take the survey, and then be dismissed. 9th-11th grades will be having a short ISASP Math practice session prior to taking the *Conditions for Learning Survey*. While ISASP practice and exams must be on school-issued computers, the *Conditions for Learning Survey* may be accessed by computer or by mobile device.

Iowa Statewide Assessment of Student Progress (ISASP)

The Iowa Statewide Assessment of Student Progress (ISASP) will be administered to LMHS students in grades 9-11, during the mornings of **Tuesday, April 23, and Wednesday, April 24**. These are state-required exams. The schedule for these days is listed below. 9th, 10th, and 11th grade students will take exams in Language and Writing, Reading, and Math. Additionally, 10th grade students will also take a Science exam. School-issued computers must be used for the ISASP. *A separate email on the ISASP will also be sent at the start of 4th Quarter in April.*

The ISASP schedule has been created with input from students and staff to help ensure students can perform at their best on each exam. Each exam period is scheduled for seventy-five (75) minutes; however, students may take as much time as needed to complete an exam. The schedule also allows for a break after the exams each day for lunch (much like our semester exam schedule does) with classes beginning at 1:00 p.m. On the first day of testing (April 23), Periods 1-4/Blocks 1-2 will be held. On the second day of testing (April 24), Periods 5-8/Blocks 3-4 will be held. On the second day of testing, Grades 9 and 11 will not be required to report until just before the 10:45 a.m. Math exam. Students in grades 9 and 10 riding the bus or being dropped off prior to 10:45 a.m. on this day will report to the LM Main Gym until 10:30 a.m.

12th grade students will not need to report to school until their class times during each afternoon.

We will be holding two ISASP practice sessions for all 9th-11th grade students at 3:30 p.m. on Tuesday, April 16, and Wednesday, April 17. These sessions will ensure students know the location of their exams, expectations for the exams, practice for the writing exam, and practice finding the calculator/formulas/other tools allowed for during the Math exam. On April 17, this session will also involve completing the state-required *Conditions for Learning Survey* for all four grade levels (9th-12th).

9th-11th Grade Students: Please turn on your computer on campus to get the updates needed on your computer prior to April 16. (This may take more than an hour if you have not been using your computer). Again, you must have your school-issued computer for ISASP. Conditions for Learning Survey (April 17) may be taken on computer or mobile device.
