Safe2SpeakUp is an application on all LMHS student school-issued computers that allows a student to report something unsafe or to ask for help for a personal crisis for self or someone else at any time. Safe2SpeakUp alerts are sent directly to LMHS Administrators, Student Assistance Counselors and School Counselors. Thanks to some hard work and efforts by some of our LMHS students, we now have a QR code and a link that can be used more easily for student reporting. The QR code will be posted at various locations around school and the link will be made available in the Updates as well as on the LMHS webpage on the district website.

****This reporting tool is for High School students only. ****

Student reporting helps keep our schools safe. **Please click on the appropriate link below to report a concern to school administration and counselors.** A QR code has been posted around LMHS that will also take you directly to this link. Please note that if you report anonymously, the investigation may take longer to conduct. Reports to school administration are seen during normal school hours 7:30 am-4:00 pm Monday – Friday when school is in session. If it is outside of this time or an extreme emergency, please dial 911.

LMHS Student is Helping Raise Funds for People Affected by the Wildfires in Maui

Next week, Linn Mar is holding a fundraiser for people affected by the wildfires in Maui. Look out for the QR codes posted in the school to help support the cause. Donations are directly transferred to the American Red Cross Association to help buy supplies such as water, food, and batteries. Sharing the link with your family and friends can help us reach our goal of 500 dollars! This effort is made possible through the initiative of a student at LMHS!
