## Welcome To The New School Year!

**Video Caption:** A welcome back message for families from Superintendent Shannon Bisgard.

### **Welcome back Linn-Mar!**

Last week, we welcomed 46 new teachers and hosted approximately 1,300 staff members at the district all-staff kickoff meeting. It was exciting to see everyone and the energy and anticipation to the new year is evident!

Our new teachers have completed their orientation, and our teachers and staff have attended their training and professional development sessions. Everyone is ready for the first day of classes and we are ready to go for the new school year! -

Shannon Bisgard, Linn-Mar Superintendent

## Temporary Building Phones

Temporary phones have been set up for each building and the new numbers are listed on the district's website.

### Echo Hill Road/Alburnett Roundabout Construction

Last week, Phase 2 began at Alburnett Road and Echo Hill Road Intersection Improvements Project.

Phase 2 will completely close the north leg of the intersection to traffic. This means access to Echo Hill Road, east of Alburnett Road, will be limited to Alburnett Road from the south, or Echo Hill Road from the west. This intersection will function as a three way stop during Phase 2. This work is expected to last 6-8 weeks, weather dependent.

## School Building News

This summer, **Novak Elementary** and **Indian Creek Elementary** received Level 2 High Reliability School Certifications as designated by Marzano Resources!

This certification means each school building has established “**Effective Teaching in Every Classroom**,” which focuses on the responsibility of both school leaders and teachers in ensuring high-quality instruction.

Congrats Novak and Indian Creek!

Congratulations for achieving **Level 2 High Reliability School Certification**.

You and your staff have gone above and beyond to ensure student success, and the Marzano Resources team is thrilled to have the opportunity to recognize your extraordinary efforts.

At this level, high-quality teaching occurs in every classroom and support is provided to teachers to continually enhance their pedagogical skills.

---
