- **Will work with others for winter/spring offerings**

- **Next round of offerings?**

The committee will reach out to staff members for suggestions on possible offerings. What do staff need/want as far as professional learning opportunities? What opportunities can we provide elementary teachers to learn about the two new curricula that many are implementing this year.

- **Updating TQSA application forms (school year, sub cost)**

- **Building goals: Social-Emotional; Guaranteed Viable Curriculum; High Quality Instructional Practices; High Reliability Schools (HRS)**

- **Budget Information**

There is a carryover from last year. Building allocations will be given out after individual per diem is taken out for TQSA workshops.

- **State and national conferences**

This has traditionally been funded through building TQ funds to cover the cost of the conference registration and substitutes. These are not highly attended by elementary staff.
