4th Graders Give Prize Winnings to Charity

Recently the Linn Grove Parent Teacher Organization (PTO) held a contest to see which classroom could bring in the most Hy-Vee Receipts.

The winning classroom was given their choice of celebration, with a maximum limit of \$50

The students decided to give at least some of the money to charity. But that was just the beginning of the process.

Making Up Snow Days

Mother Nature has already made a few modifications to our calendar this season.

The Linn-Mar School Calendar is calculated by student hours rather than days in the classroom.

It includes more hours than are required by Iowa law.

The result, in a typical Iowa winter, the district does not fall below the number of class hours required and snow days do not have to be made up.

If we have an extreme winter with numerous snow days, any make-up days would be added to the end of the school year in June.

The **calendar** page, on the district website, features the **2022-23 calendar** and the recently approved **2023-24 calendar.**
