Recognition & Awards Program

Linn-Mar Community School District's Recognition and Awards Program serves to highlight the excellence that exists in all areas including service and job functions across the school district by rewarding the accomplishments and achievements of our staff, community partners, and colleagues. Linn-Mar chooses to recognize and reward work and behaviors that support/further the mission, goals, values and initiatives of the Linn-Mar Community School District. Nominees must have made a significant impact at LM as well as meet the respective criteria for selection.

Across the district, employees, community partners and colleagues may be nominated by anyone in the district, their respective school, department or community members. These nominees are then submitted to the Linn-Mar Employee Recognition Committee to determine the winners from each category (a maximum of two winners from each award category). All nominees are invited to attend Linn-Mar's LIONS/Volunteer Recognition Open House where the award winners receive a plaque and recognition from the district.

Award winners are selected based on the criteria established for each category. The awards selection committee, comprised of a non-voting chairperson, an administrator, certified staff, non-certified staff, a Linn-Mar Foundation member, a Booster Club member, and community members, will evaluate each nomination. Committee terms are three years. District and community diversity is sought. Selection committee names will not be published. Please note that nominators and nominees are kept anonymous throughout the selection process.

A person can be nominated for an award in the following categories:

L – Living Legend Award for Excellence in Leadership

I – Innovator Award for Excellence in Positive Change

O – Optimizer Award for Excellence in Teamwork

N – Newcomer Award for Excellence in New Ideas

How to Write a Quality Award Nomination

The key to a well-written nomination is providing evaluators with specific information illustrating how the individual's or group's achievements have made a positive impact on Linn-Mar's goals. The number of examples is not as important as ensuring that the nominee's (or nominees') contributions match the specific award criteria, and that there are measurable results. Here are some additional tips:

- **Keep it brief.** Write short sentences that are concise and give specific detail. Avoid giving work history or job descriptions, unless it directly relates to the award criteria. The goal is quality, not quantity.
- **Answer the “what” and “how”.**
 - What did the nominee(s) do?
 - Projects and/or activities above and beyond job descriptions
 - Any challenges or issues encountered and overcome
 - How did the nominee(s) do it?
 - Initiative and/or leadership
 - Teamwork
 - Creativity and/or innovation
 - Behaviors and/or attitudes
 - What were the results and/or impacts?
 - What did the nominee(s) accomplish?
 - Are there specific benefits derived from those efforts?
- **Be clear and specific.** Don't assume the Rewards and Recognition selection committee members will understand the specific nature of a project or achievement without full explanations. Be specific about what the nominee(s) did and how that helps fulfill the school district's mission.
- **Say it like it is.** Don't worry about using “fancy” speech. Feel free to use bulleted lists when appropriate. Be sure to explain the technical details in such a way that non-experts will understand, and spell out/define any unfamiliar acronyms.
- **Use concrete examples.** Anecdotes, quotations from colleagues or students, specific numbers or statistics, etc. help strengthen your nomination. Describe the amount of time and resources spent on the project. If the project the nominee(s) is/are working on is still being developed or has not produced results, consider identifying major milestones completed. If this progress is not of substantial impact, consider waiting to submit the nomination until after the results/impact can be documented and supported.

- **Communicate sincerity and personal commitment.** Show that you personally value the contributions of your nominee(s).
- **Consider a collaborative, group-written nomination.** If you find yourself shying away from a solo nomination, then round up a colleague or two and write one together. This approach may make gathering ideas and writing the nomination easier.
- **Review your nomination.** Verify the accuracy of all information in the nomination.
- **Ask questions.** If you are unclear about the award criteria, ask for clarification.

The Human Resources Department is able to answer your questions. Please contact Casey Fasselius, cfasselius@linnmar.k12.ia.us or (319) 447-3009 for more information. Applications are due to the Linn-Mar Community School District Employee Recognition Committee/Human Resources no later than 4 p.m. on Friday, March 8, 2024.
