

2024 AP[®] School Honor Roll Recognition

The AP School Honor Roll recognizes schools whose AP programs are delivering wide-reaching results for their students.

The AP School Honor Roll, which replaces the previous AP District Honor Roll, offers schools recognition across four levels of distinction: Bronze, Silver, Gold, and Platinum. Schools on the AP School Honor Roll may also earn the AP Access Award, honoring schools that demonstrate a clear and effective commitment to equitable access to advanced coursework.

For a school to be recognized on the AP School Honor Roll, it must be located within the United States (including U.S. territories) or Canada and:

- Meet each of the following criteria anchored in research-based relationships between AP and college outcomes:
 - ♦ **College Culture:** 40% or more of graduating cohort took at least 1 AP Exam during high school.
 - ♦ **College Credit:** 25% or more of the graduating cohort scored a 3 or higher on at least 1 AP Exam during high school.
 - ♦ **College Optimization:** 2% or more of the graduating cohort took 5 or more AP Exams during high school. At least 1 of those exams was taken in 9th or 10th grade, so that students are spreading their AP experience across grades rather than feeling disproportionate pressure in any single year.
- Have full-time grade-12 enrollments. AP coordinators can update this information online in [AP Registration and Ordering](#).

Schools can earn the additional AP Access Award if the percentage of AP Exam takers who are underrepresented minority and/or low-income students mirrors the school's overall student demographics.

As of October 2024

Of the 15,887 eligible schools, 5,061 schools (32%) earned a place on the 2024 AP School Honor Roll.¹

AWARD	PERCENT OF ALL ELIGIBLE SCHOOLS: US AND CANADA
 AP School Honor Roll Platinum	7%
 AP School Honor Roll Gold	7%
 AP School Honor Roll Silver	10%
 AP School Honor Roll Bronze	9%
 In addition, 39% of schools on the Honor Roll earned the AP Access Award.	

School Honor Roll Criteria: 2024 Snapshot

The table below provides an overview of the School Honor Roll criteria, and displays the average percentage of 2024 graduating students in eligible schools for each.

HONOR ROLL CRITERIA	AVERAGE ACROSS ALL ELIGIBLE SCHOOLS: US AND CANADA
Took at least 1 AP Exam	43%
Scored 3+ on at least 1 AP Exam	27%
Took 5+ AP Exams, at least 1 in 9th or 10th grade ²	8%

Schools can see AP School Honor Roll status in [AP Score Reports for Educators](#). Recognized schools will have access to download a custom celebration kit.

There is no annual application process for schools to be considered for recognition.

AP gives students opportunity to engage with college-level work, to earn college credit and placement, and to potentially boost their grade point averages. The schools that have earned this distinction are proof that it is possible to expand access to these college-level courses and still drive strong performance—they represent the best of AP.”

— TREVOR PACKER
SENIOR VICE PRESIDENT
AP & INSTRUCTION

¹ Note that schools had the choice to “opt-out” of being publicly recognized on the AP School Honor Roll and/or AP Access Award, so the number of schools listed in this report may not match the number of schools who met the award requirements and received the award.

² Research finds that students can optimize many of APs benefits just by taking 1-2 AP courses per year, for a total of 5 APs in high school. Accordingly, the School Honor Roll criteria reflects this research, and this metric does not provide more weight for schools when students take more than 5 AP exams. More information can be found [here](#).

AP School Honor Roll Highlights

The AP School Honor Roll recognizes schools that have done outstanding work to welcome more students into AP courses and support them on the path to college success. These states and Department of Defense Education Activity (DoDEA) had the largest share of schools qualifying for AP School Honor Roll.

TOP STATES AND DODEA	% OF ELIGIBLE SCHOOLS ON AP SCHOOL HONOR ROLL
Department of Defense Education Activity	98%
Massachusetts	54%
Florida	52%
California	48%
Maryland	45%
Colorado	43%
District of Columbia	43%

Multi-year AP School Honor Roll Recognition

The AP School Honor Roll launched in 2023. Now in its second year, the number of schools recognized has grown from 4,570 schools in 2023 to 5,061 schools in 2024.

Specifically:

- 87% of all 2023 Honor Roll schools received Honor Roll recognition in consecutive years
- Of all 2024 Honor Schools, 21% of schools were new to the Honor Roll

In the list that follows, schools that have been recognized on the AP School Honor Roll in consecutive years are noted with an asterisk (*) following their name.
