

Linn-Mar Community School District CO-RESIDENCY INFORMATION and PROCESS

The Co-Residency Affidavit is used to verify residency when a family is residing in an established home owned or leased by another person or persons within Linn-Mar District boundaries.

Some of the most common examples:

- Unmarried couples living together and the primary guardian is not listed on fully executed home ownership paperwork or the rental/lease agreement
- Two families sharing a home or apartment and only the guardian from the resident family named is listed on home ownership documents/rental agreement
- Parent(s) & Child living with Grandparent
- Adult student living with an established Linn-Mar resident (other than his/her own family)

Co-Residency Process:

- 1. The Resident (person able to provide proof of residency) must complete part one of the Affidavit in the presence of a Notary Public.
- 2. The primary guardian/parent must present the following documentation to the Linn-Mar Building Secretary:
 - Completed and notarized Co-Residency Affidavit form
 - Homeowners' Settlement Statement, Warranty Deed or Mortgage Statement OR the Resident's fully executed lease agreement.
 - Current utility bill in resident adult's name
 - One piece of official mail (cannot be junk mail) in co-resident's name
 - The primary guardian's current driver's license or other state/federally-accepted photo ID
- 3. The enrollment office will verify the accuracy of the information in the affidavit and update household information in PowerSchool.
